

**9th ANNUAL**  
**FESTA ITALIANA OF CUYAHOGA FALLS**  
**FALLS RIVER SQUARE DISTRICT**  
**JULY 21, 22, 23 2017**

Dear Vendor,

Festa Italiana of Cuyahoga Falls 2016 was a great success thanks to you, our vendors and we hope your season was successful as well. As you may know, the city is planning to reopen the Front Street Mall area to vehicular traffic. The final project, scheduled to be completed before the 2018 festival season, looks very exciting for the festivals and community as a whole. The 2017 festival season will present some challenges for us all. The mall will be undergoing construction during the summer and the festival footprint will be reduced considerably. The north mall and the part of south mall from the Cuyahoga Valley Art Center to Portage Trail will be closed affecting about twelve food vendors.

Since there will be space limitations, our plans are to move all Non Food vendors into the pavilion. For all Food vendors, we are asking you to bring as small a unit as possible for this year. **Please remember to bring water wyes since the water connections are limited.**

We, the Festa Italiana committee, are still determined to put on the best festival we can although smaller for this year. We would like to thank you for being part of the Festa and helping to make the Festa possible. We are looking forward to seeing you at our Festa Italiana 2017, in Cuyahoga Falls, Ohio.
