Dear Vendor,

Festa Italiana of Cuyahoga Falls 2018 was a great success thanks to you, our vendors and we hope your season was successful as well. The reopened Front Street has created a new feel to Festa Italiana. This year again, we will stage vendors in the off lots. You will be given a time estimate that you will be permitted to start setup. Please see the additional sheet for vendor size/layout. Please return that page as soon as possible so we can lay out the Front Street festival area.
